Year Group: **Year Two**

Talk to me about

Date: Autumn Term 13th November 2026

Our Learning Journey – Fanfares and Fairy Tales
Our Literacy focus this week has been on fairy tales

What we wanted to learn:	What we did:	What could I do at home to help me with my learning?
Literacy I boxed up the story of Rapunzel to create a story plan. I can innovate the characters in Rapunzel. I can plan a new story.	We read the story again of Rapunzel by Bethan Woollvin and broke down the story into the beginning, middle and end. We used fairy tale language, adjectives and conjunctions to plan a new version of Rapunzel with different fairy tale characters. We then drew a story plan so next week we can begin writing our new story with ideas taken from Rapunzel; like Bethan Woollvin we are making our version!	Read or listen to different fairy tales. Who are the good characters? Who are the bad? Where is it? What is the problem in the story? How is it resolved? Can you say what is similar and different about them compared to Rapunzel?
Mathematics To use knowledge of 'make ten' to add and subtract a single-digit number to a two digit number. I can find ten more/ten less than a number. I can add and subtract numbers under 100 bridging through ten.		Practise some adding and taking away with a grown up. You can use lines and dots to represent the tens and ones. Look at a 100 square and discuss what patterns you notice!
Words we have been learning this week: would, should, could, children **Word aware:** charity bridging character		
Maths Mental Fluency: 10 more and 10 less than any 2 digit number		
Notes and reminders… Friday 20th November - Non uniform day for bottles The Gattons Winter Fayre - Saturday 21st November Please remember tape for pierced ears on PE Days - thank you! The Year 2 Team
