Dear parents and carers

I am extremely pleased to be able to share the results of our recent Ofsted inspection with you.

We are delighted that following a 2 day rigorous inspection, last month, the inspectors considered The Gattons to be **GOOD** in all areas.

This has been a huge team effort since our last inspection in September 2021, and I would like to take this opportunity to thank every member of staff, pupils, fellow governors, and families who work tirelessly to make The Gattons the great school that it is.

I would also like to thank all parents and carers who took the time to fill in the online survey and for your continued support. It is greatly valued.

The full Ofsted report is attached to this Parentmail, and also available to view on our website. There were some lovely comments we can be very proud of. I have added a few below.

"Pupils enjoy learning at this happy and caring school. They discuss their work excitedly and are proud of their achievements."

"Pupils' learning extends far beyond the classroom."

"Pupils love reading. They enjoy the engaging stories that they read and discuss them excitedly"

"The school is calm and welcoming."

There is always more to do however and every one at The Gattons will continue to work hard to make further improvements in areas identified by the inspectors.

Kind regards

Lucas Cook
Chair of Governors
