

## Moving to Year 3 in September.

Everyone

feels

nervous

and

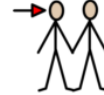

maybe

excited

when

they

are

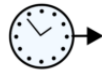

starting

something

new.

## Somethings will be the same.

You

will

still

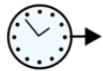

have

playtime.

You

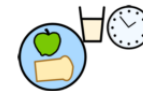

will

still

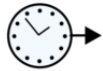

have

lunchtime.

You

will

still

share

your

learning

ideas

with

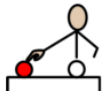

the

same

children

that

are

in

your

class

now.

Some things will be different.

You

will

have

playtime

on

a

different

playground.

You

will

eat

lunch

in

Southway's

hall.

You

will

be learning

in

a

new

classroom.

It is

ok

to

ask

your

grownups

at

home

and

at

school

???

questions.

It is

ok

to

not

know

what

to

do

all

the

time.

Your

new

teacher

and

teaching assistants

will

help

you.

You can

ask

them

for

help

or

ask

them

a

question

if

you

are

unsure

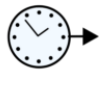

about

something.

You

will

soon

settle

in

and

enjoy

the

new things

that

you

do.

Soon

it

will

seem

like

an

'old'

classroom

not

a

1

new

one!!

Well done!

You

are

getting ready

for the

next

school

year!

Fantastic!
