

Year Group: Year One

Talk to me about

Autumn Term 17th October 2025

Our Learning Journey - This week we found Bog Baby!

What we wanted to learn	What we did	What I could do at home to help me with my learning
Literacy We have written an adventure.	We read the book called 'Way Back Home' by Oliver Jeffers. We watched a short animation too about the adventure the boy and the alien had. We learned great vocabulary from the book, and we tried to use it in our own story writing. We also found Bog Baby this week. He had been hiding in our classroom all along! That would explain the glitter and other blue clues that we have been finding.	We could write our own adventure and bring it in to read to the class. We could also put our books in the Book Nook in our classrooms.
Mathematics We wanted to use a part, part, whole model.	We put 5 cubes in the whole and worked out how many cubes could go in the parts. We realised there was lots of different answers! We practised saying the stem sentences: 4 is a part, 1 is a part and 5 is the whole (for example). We solved lots of problems using the part whole model. Try the true or false part whole here. It says it is correct but have a look at the whole number to decide!	<p>True or False?</p> <p>The part-whole model is correct.</p> <p>Explain your answer.</p>
<u>Words to practise this week:</u> they house he she we you was		
<u>Word aware words:</u> You could practise saying these in a sentence or see if you can spot them in a book. flicker boom		
<u>Maths Mental Fluency:</u> Composition of 5 - say a number - how many more make 5? Can you think of 3 numbers that make 5?		
Please make sure that your children do not play with or on the apparatus before school. Thank you for all the Bog Baby friends that you made. The children have loved sharing them with the class. They are so creative and they are all so different which is wonderful. Thank you to the parents, carers and grandparents that came on the map reading trip. We could not have done it without you. Coming Up! Thursday 23 rd October - FOGS Quiz. Friday 24 th October- INSET day, school is closed for all children. The Year 1 Team.
