

Year Group: **Year One**

# Talk to me about

Autumn Term 23rd October 2025

**Our Learning Journey** – This week we have been map reading

What we wanted to learn	What we did	What I could do at home to help me with my learning
<b><u>Literacy</u></b> We have been learning to write in sentences.	We have been doing some amazing writing. We have been taking the little boy and the alien on new adventures. Our writing has been so good that we have put it up on the display in the hall so that everyone can see it. We have been making sure our letter codes work by adding a capital letter at the start and a full stop at the end of our sentences.	We could write our own stories over half term. If you bring them into school, we will add them to the book corners.  We could go to the library in half term and borrow another book by Oliver Jeffers.
<b><u>Mathematics</u></b> We have been learning to count items accurately.	We have been learning to count items 1:1 by moving them or crossing them out. We have been checking our counting. We have also been learning about ordinal numbers. We have been having races to see which car is first, second, third, fourth and fifth.	We could have races with our family.

**Words to practise this week:** Read them quickly on flash cards or try to spell them.  
they have little what we be you your was there

**Word aware words:**

You could practise saying these in a sentence or see if you can spot them in a book. **spluttered** **flicker**

**Maths Mental Fluency:** Composition of 5 - say a number - how many more make 5? Can you think of 3 numbers that make 5?

**Coming Up!**

PE - We are very excited to be working with a sports coach to deliver PE to the Year 1 children. Therefore, after half term, your child's PE days will be as follows:

Woodpeckers - Tuesday and Thursday

Nightingales - Wednesday and Friday

Blackbirds - Monday and Wednesday

Friday 24<sup>th</sup> October- INSET day, school is closed for all children.

Have a lovely half term.

The Year 1 Team.
