

## Rosie Brickell

- I am a *Co-opted Governor, Joint Maths and Computing Governor as well as Joint Inclusion Governor at The Gattons Infant School.*
- I have lived in Burgess Hill for 16 years, in which time both of my children attended The Gattons and loved their time in the school.
- I've had a close connection to the school in several roles since then; as a parent helper, *Chair of FoGS*, and currently both as a governor and as an LSA for Year 2.
- Prior to having children, I was Head of KS3 Science at a secondary school in Crowborough.
- My interests include reading, sewing, science and playing games with my boys.
