

Lucas Cook

- I am a Co-opted Governor and am currently Chair of Governors at The Gattons. I am also the arts and music governor.
- I am a Guitar teacher and have been teaching and playing professionally for over 20 years. It's a great way to earn a living and I love it. I also teach ukulele club at the Gattons.
- My daughter is currently at Oathall in Haywards Heath but attended The Gattons and Southway. She is still benefiting from the love of learning that she developed at The Gattons and like so many other past pupils, still wishes she could come to school here.
- I have lived in Burgess Hill for most of my life. Playing and teaching guitar takes up a lot of my time, but I also enjoy cooking on the BBQ, being a parent and going on holiday.
