

## Sarah Gospel

I have been teaching for over 20 years, starting my career in inner city London. I came to The Gattons in 2008 when I came as the Deputy Head and Year group leader for Year 1. I have been lucky enough to be Headteacher since September 2021 and am enjoying taking us on our next stage of school development. It is a fantastic school to be Head of with supportive hard-working staff who always have the children's best interests in everything that they do.

In my personal life, I have 3 young children and spend lots of time in the sea or watching my children in various sporting events!
