

Leila Grass

I have been a teacher for 33 years and teaching at The Gattons for 10 of those years. I started my career in inner-city multicultural schools in London where I was a Deputy Headteacher, upper school manager, taught every year group from Reception to Y6 and have been a subject coordinator for Maths, Literacy, Art and Music and led EAL. I am currently a Y2 teacher and coordinator for Music.

I spent 6 years working on yachts sailing across the Atlantic. During this time, I spent time working in amazing schools in Australia and Antigua. I still love to travel, try new foods, discover cultures and learn new languages!

My hobbies are painting, cooking, reading, walking my dog, making music and gardening. I have 2 teenage sons.

I like making a difference. I love seeing the children in my classes make progress and develop a love for learning.
