- I am a co-opted Governor of the school having been appointed in autumn 2023. My wife Leila has worked as a teacher at the school since 2013.
- I have been practicing as a chartered surveyor for the last 35 years. In the early part of my career I specialised in the retail property sector. Latterly, I have been providing consultancy advice to public sector clients.
- I am huge sports enthusiast with many seasons of club hockey and cricket behind me. With two teenage sons I have spent more time watching that playing in recent years but have recently taken up tennis and start most days with a 5km jog!
