

Debbie McLean

- I am a Parent Governor with a daughter currently in year 1 and another daughter who'll start in 2026.
- I am currently a Senior Director for a multi-national arts organisation, previously I was a professional actor for 10 years.
- My job requires me to be pro-active, solution driven and to have good negotiation skills, skills which have proven useful as a parent!
- I am very passionate about the Arts in general, with a particular love for Theatre. I also enjoy reading, walking, baking, and hanging out with my family. I try to like exercise.
- We moved to Burgess Hill in 2021, and as a family we love running around the South Downs, whatever the weather!
