

Abi Steele

- I am a co-opted governor at The Gattons which I joined to support my local community.
- In my professional life, I have worked in finance for over a decade and am a Chartered Accountant and a CIPD Associate in People Practice, which supports my role as Head of Finance and Head of HR.
- Outside of work, I really enjoy reading, strength training, and watching the F1. I also love spending time with my nieces, originally moving to Burgess Hill to be closer to my family but I've since put roots down here with my partner who also works in our local community.
