

Beth Leeming

I became a Co-opted Governor at the Gattons in September 2025 having previously had two sons at the school.

I became a governor as our sons both benefitted so much from the school and I wanted to give back to the school that has done so much for our own children.

I have worked in the Education Sector for over 20 years- both in school and for national organisations providing teacher training and professional development. This has included being responsible for Safeguarding, Compliance and Continuous Improvement

We are a family of sport lovers and when not watching our sons playing rugby, cricket or football, can regularly be found watching rugby. From opera to rock music, I love live music and I am passionate about everyone having access to the benefits provided by sport and music.
