

What we wanted to learn	What we did	What I could do at home to help me with my learning
Literacy We wanted to practise our phonics. We wanted to learn about traditional tales and retell a story. We wanted to write words, captions and sentences.	We have been learning the Phase 3 sounds 'ow' 'prowl and growl, 'ear' clear that smear, 'air' pair in the lair and 'oi' coin in the soil. This week we enjoyed watching the animation, 'Scooby Doo'. We all enjoyed retelling the story. We learnt some new vocabulary and drew the character Scooby and the story setting 'The Museum'. Each drawing needed a secret code to unlock part of an adventure. This was either a word, caption or sentence.	I could practice forming the graphemes ow, ear, oi and air in sand, paint or on my whiteboard. I could begin to build words together using our learnt sounds. I could talk to you about the vocabulary that we learnt this week - mystery, find, frightened, clues, solve and teamwork. We could watch a Scooby Doo episode together. https://www.youtube.com/supported_browsers?next_url=https%3A%2F%2Fwww.youtube.com%2Fwatch%3Fv%3Dztrf1ou2pD8&list=PLVD2xLUGZKE9VqWihl8g-OuTLs0wwCI&index=1&safe=true I could draw another one of the characters in the story and write a word, caption or sentence to go with it.
Computing We wanted to learn how to stay safe online.	We shared a story about Smartie the Penguin. He received a new tablet for his birthday. In the story we learnt what to do if we see something we don't like on a screen, that not everything we see online is true and what to do if we have a worry when we are playing online. The most important message was to always talk to a grown up and they will help us.	I could practise the song we learnt: Before you Tap and Click You need to stop and think And TELL Someone!
Design and Technology We wanted to design a new biscuit.	We tasted three different types of biscuit: ginger, cinnamon and lemon. We chose the flavour we liked most and then designed a new biscuit with decorations.	I could talk to you about the biscuit flavour that I liked the most. I could talk to you about my design.
