

Talk to me about

Date: W/C 23.3.26

Year Group: **Reception**

What we wanted to learn	What we did	What I could do at home to help me with my learning
<p>Literacy</p> <p>We wanted to practise our phonics.</p> <p>We wanted to write captions and sentences in Drawing Club.</p>	<p>This half term is all about review and consolidate. We have been reading and spelling lots of words and captions containing sounds we have learnt. We learnt the new harder to read and spell words, 'children' and 'love'</p> <p>This week we have been reading 'Farmer Duck'. We all enjoyed retelling the story and joining in with repeated phrases. We learnt some new vocabulary and drew the farmer (character) and unlocked a new adventure, drawing a new tractor for the farm. Each drawing needed a secret code to unlock part of an adventure. This was either a word, caption or sentence.</p>	<p>I could practice saying a sentence with the word 'said' in. I could write 'children' and 'love' really big, really small, and using different coloured pens or pencils.</p> <p>I could draw one of the characters from 'Farmer Duck'. I could create my own secret code that will make the bed shake and the farmer fall out of bed! I could talk to you about the vocabulary that we learnt this week - exhausted, stealthy, eject, stunned, cultivate, and lazy. I could retell the story in my own words.</p>
<p>Mathematics</p> <p>We have been learning to sort objects. We have been learning to identify odd and even numbers.</p>	<p>We sorted buttons in different ways such as by colour and shape and talked about what was the same and what was different.</p> <p>We watched Numberblocks Odds and Evens and spotted that some of the Numberblocks had even tops and you could roll a ball on the top of them. We made our own even blocks and sorted them by even and not even.</p>	<p>I could watch this Numberblocks episode https://www.bbc.co.uk/iplayer/episode/b08r2l4d/numberblocks-series-2-odds-and-evens and talk to you about what I notice. I could use some blocks to build some Numberblocks even tops and odd blocks.</p>
<p>Science/Geography</p> <p>We wanted to learn about the seasons.</p>	<p>We remembered what we knew about the seasons of Autumn and Winter. We talked about signs of Spring and went on a Spring walk to spot them! We completed a seasons wheel.</p>	<p>I could sing this Seasons Song https://www.youtube.com/watch?v=ksGiLaIx39c</p> <p>I could draw a picture of some of the signs of Spring that I know.</p>

Other news

Thank you to all the helpers who came with us to the library this week.

When we return to school on 13th April it is Arts Week!

PLEASE COULD WE HAVE DONATIONS OF ANY FLATTENED CARDBOARD - CEREAL BOXES, CORRUGATED CARD ETC AND ANY MAGAZINES, OLD BOOKS WITH PICTURES OF PEOPLE, NEWSPAPERS FOR COLLAGE. We will put boxes in the playground for you to place items in.

Have a lovely Easter holiday - we look forward to seeing you on Monday 13th April for the Summer Term.

The Reception Team
