

Year Group: **Year One**

# Talk to me about

## Spring Term 6<sup>th</sup> March 2026

**Our Learning Journey** This week we have celebrated reading.

What we wanted to learn	What we did	What I could do at home to help me with my learning
<p><b><u>Literacy</u></b> We learned to write in full sentences. We learned to say the letter names.</p>	<p>We found some magic beans on the playground. We threw them on the field only to find they grew into a beanstalk! We read a book called 'Jim and the Beanstalk'. We used our imaginations to think about what would happen at the top of the beanstalk.</p> <p>We loved our World Book Day activities and swapping our books. Thank you for helping us to dress up as a book character.</p>	<p>We could sing the alphabet song. We could make up an alternative story about a beanstalk. We could plant some seeds that we find in our vegetables and see if they grow.</p>
<p><b><u>Mathematics</u></b> We learned to group items in equal groups.</p>	<p>We made equal groups of 2. We put items into groups of twos, and we are now able to count up in twos to see the total amount. I could do this with you when I am putting my pairs of socks away!</p>	<p>We could count forwards and backwards in odd and even numbers.</p>

Words to practise spelling this week:

you your

Word aware words:

You could practise saying this word in a sentence or see if you can spot it in a book.

**prediction**

**frustration**

**Maths Mental Fluency:** bonds to 10 - Can you think of all the ways to make 10? Be systematic!

**Coming Up!**

Science Week. Tim Peake will be visiting Haywards Heath on Friday 6<sup>th</sup> March at 4pm. Further details are in this link

<https://www.sussexexpress.co.uk/news/people/astronaut-tim-peake-to-attend-grand-opening-of-new-community-hub-and-scout-centre-in-haywards-heath-5614598>

**Friday 13<sup>th</sup> March** - We are going to be taking part in lots of science activities at school for science week. We will also be walking over to Southway on Friday 13<sup>th</sup> March at 1.15 and returning to school at 2.30 to complete science experiments together. If you can walk us there and/or back, please could you let your class teacher know. We would really appreciate as much support as possible.

**20<sup>th</sup> March** - Comic Relief - We will let you know next week how the children want to support Comic Relief.

The Year 1 Team.
