

Year Group: Year One

Talk to me about

Summer Term 1st May 2026

What we wanted to learn	What we did	What I could do at home to help me with my learning
Literacy We were learning to find out about rock pools and the creatures in them.	We read a book about Rock Pools. We have learned about periwinkles, limpets and anemones. We have been writing facts about them in our best handwriting. We have continued to write a sentence using the word 'because' to explain why or how the creatures act in this way.	We could tell you a fact about rock pool creatures in preparation for our trip.
Mathematics We were learning to measure using a ruler.	We started our learning by drawing around one of our friends and then measuring using non-standard measurements such as books or whiteboards. This made it hard to compare our height, so we then learned about standard measure called cm. We have been learning to always start at the 0 on the ruler to make the measuring accurate.	Measure the height of our family members at home when they are standing up. You might want to measure the length of something when it is side to side and flat on the floor.

Words to practise spelling this week:

because no of off one

Word aware words:

You could practise saying this word in a sentence or see if you can spot it in a book.

irresistible

Maths Mental Fluency: Continue with addition facts to 10 - What is 2+8? 4+6? 3+7?

Coming Up!

4th May - Bank holiday

In **Design and Technology**, we will be exploring different joining techniques. We will design, make and evaluate our own sea creature puppets. We would love you to come and help us with making our puppets- on these dates at 9am:

Monday 11th May - Nightingales

Tuesday 12th May - Blackbirds

Wednesday 13th May - Woodpeckers

Beach Trip - 21st May - Year 1 will be going on a trip.

Phonics Screening Assessment- Please continue to read at home with your children as they are making great progress in their reading. The children will take part in the national assessments on these dates: 9th June - Woodpeckers, 10th June - Blackbirds and 11th June - Nightingales. Please make sure you child is in school.

The Year 1 Team.
