

Talk to me about...

Date: 15th May 2026

Our Learning Journey - Living in England

Year Group: Year Two

What we wanted to learn:	What we did:	What could I do at home to help me with my learning?
<p>Literacy Write the beginning of the story.</p> <p>Write the middle of the story.</p> <p>To write the end of the story.</p>	<p>Last week we listened to and acted out the story of 'The Giant Jam Sandwich'. It is a story written by a local author. This week we have been using our plan to rewrite the beginning, middle and end of the story in our own words.</p> <p>We have also edited our writing by checking it as we go. We have checked for punctuation and spellings.</p> <p>We have been focusing on 'quality, not quantity' and making sure that we have included capital letters and full stops.</p>	<p>Write a silly sentence about each member of your family. Use a purple pen to edit your work ensuring that you have a capital letter and full stop for each sentence. You could try to join two sentences with a conjunction such as because, so or but.</p>
<p>Mathematics To tell the time to 5 minutes intervals.</p> <p>To write time words (second, minutes, and hour) and think about what we can do in different amounts of time.</p> <p>To understand how many hours are in a day.</p>	<p>We continued to tell the time to o'clock, half past, quarter past and quarter to.</p> <p>We made a poster with different activities we could complete in seconds, minutes and hours.</p> <p>We looked at duration of time and important parts of our day and how long they approximately take.</p> <p>We consolidated our clock reading up to five minute intervals.</p>	<p>You could create a poster of what you get up to on a weekend day!</p> 
<p>Words for this week: People, Both, Most, Only, even Word aware: plague emotions</p>		
<p>Maths Mental Fluency: Download the white rose '1 minute maths app' look for the green turtle - to learn some quick mental maths tricks to solve problems.</p> 		
<p>Reminders and Notices: DT sandwich making workshop all 9-10 am - Eagles - Monday 18th May, Owls - Wednesday 20th May, Puffins - Thursday 21st May. Thank you for signing up for food donations for the workshop! INSET day- Friday 22nd May Any clean recycling for junk modelling is always appreciated- kitchen paper rolls, cereal boxes, smaller boxes - please no cleaning products or medical boxes. Many thanks! The Year 2 Team</p>
