

Year Group: Year Two

Talk to me about...

Date: 21st May 2026

Our Learning Journey - Living in England

What we wanted to learn:	What we did:	What could I do at home to help me with my learning?
<p>Literacy</p> <p>We are writing non-fiction.</p> <p>We can make a poster and order factual events.</p>	<p>We learned about how bread is made from flour, and how grains moved from silo to mill to processing plant.</p> <p>We ordered the events and wrote facts about what we had learnt.</p> <p>We learnt about different types of bread and made an eye-catching poster to show what we have learned.</p>	<p>When shopping, notice the different types of bread and see if they can remember where they come from. Maybe they could sample some different bread. We learnt about focaccia, bagels, challah, pitta and naans. They could research some other breads and write a fact page about them.</p>
<p>Mathematics</p> <ul style="list-style-type: none"> We are learning to use language to describe the position of something. We are learning to describe how things move. 	<p>We recapped 'positional' language like above, below, left, right, in between.</p> <p>We practised putting these words into sentences by looking at the position of objects around the classroom.</p> <p>We used a grid and moved objects forwards and backwards. We solved puzzles by following the clues to find out the start/finish place of an object.</p>	 <p>You could create a treasure island map and draw a grid on top.</p> <p>See if you can direct a friend or family member from the start to some hidden treasure.</p>
<p><u>Words for this week:</u> old, gold, fold, cold, hold, told <u>Word Aware:</u> feast, combinations, units</p>		
<p><u>SPAG:</u> we have been focusing on quality sentences and making sure that our handwriting letters have clear ascenders (k, l, h) and descenders (g, p, y)</p>		
<p><u>Maths Mental Fluency:</u> Download the white rose '1 minute maths app' look for the green turtle - to learn some quick mental maths tricks to solve problems.</p>		
<p>Reminders and Notices: Inset Day- Friday 22nd May Half term is w/c Monday 25th May Healthy Week w/c 1st June- Children come into school in PE kit all week - except Thursday as they are off for a morning of Southway activities. Thursday 4th June- 9.00 - 10.30 Southway Tour and placemat activity. We still need walkers for this event - please let your class teacher know if you can walk with us to and from Southway. We always appreciate your help! Thank you for your continued support. The Year 2 Team</p>
