# Talk to me about

## Summer Term 21st May 2026

What we wanted to learn	What we did	What I could do at home to help me with my learning
<p><b><u>Literacy</u></b> We wanted to practise our phonics.</p>	<p>We read real and nonsense words, adding sound buttons to help. We remembered that if it has an alien picture, it's a nonsense word. We practised reading the digraphs we find tricky and found words in word searches with those digraphs. We played roll and read and matched words to pictures.</p>	<p>We could spot digraphs in words and signs. We could write words with split digraphs. We could practise reading words everywhere we go! We could practise reading real and nonsense words on phonics play: <a href="https://www.phonicsplay.co.uk/resources/phase/2/buried-treasure">https://www.phonicsplay.co.uk/resources/phase/2/buried-treasure</a></p>
<p><b><u>Mathematics</u></b> We wanted to count in groups of 2, 5 and 10.  We were working out the value of different amounts of these coins.</p>	<p>We have been singing songs and counting groups of 2, 5 and 10. We have been counting coins and thinking about the value of the coins. We have been counting in 2p, 5p and 10p. Sometimes we have been mixing up the coins to try to work out the value of them.</p>	<p>We could have some 1p, 2p, 5p and 10p coins at home and set up a shop. You can play at giving the right amount of money. Make everything in your shop cost 20p or under and make the amounts using the coins.</p>

Words to practise spelling this week:

want children love oh ask should would very

Maths Mental Fluency: one less - can you say one less than the door number? One less than numbers to 20.
