

Talk to me about...

Date: 5th June 2026

Our Learning Journey - Living In England

Year Group: Year Two

What we wanted to learn:	What we did:	What could I do at home to help me with my learning?
<p><u>Literacy</u></p> <p>I can plan and write my letter. I can use capital letters, finger spaces and full stops. I can include the features of a letter.</p>	<p>Floella Benjamin wrote us a special letter to ask us to tell her about where we were born and where we live now, what we would like to be when we grow up and if we could travel to anywhere in the world where it would be.</p> <p>We learnt how to structure a letter and include all these features.</p> <p>We planned a letter and look forward to writing it next week and sending it to Floella.</p>	<p>You could write a letter to a cousin or a friend who is far away that you do not see regularly and post it and hope for a reply.</p> <p>You could write a letter to a friend in the class and put it in an envelope.</p>
<p><u>Mathematics</u></p> <p>We are learning to apply our Maths knowledge and skills to word problems.</p> <p>We are learning to solve addition and subtraction problems.</p>	<p>This week we have been solving mathematical problems linked to our learning from across the year.</p> <p>We recapped how to add two digit numbers crossing and not crossing the next ten.</p> <p>We recapped how to subtract two digit numbers crossing and not crossing the next ten.</p> <p>We recapped how to add three digits number sentences together.</p>	<p>Try this challenge below, can you think of your own?</p> <div style="border: 1px solid orange; padding: 5px;"> <p>Write two numbers to make the calculation below correct.</p> <p><input type="text"/> + <input type="text"/> = 19</p> <p>Now write three numbers to make the calculation below correct.</p> <p><input type="text"/> + <input type="text"/> + <input type="text"/> = 19</p> </div>

Words for this week: after, past, fast, last

Word aware: address, British Empire

Maths Mental Fluency: Download the white rose '1 minute maths app' look for the green turtle - to learn some quick mental maths tricks to solve problems.

Reminders and Notices:

- Sunday 14th June - Burgess Hill Summer Fayre Parade at St Johns Park 11am start. Come and cheer us on if your child is not participating.
- Tuesday 16th June - Y3 teachers from Southway to come and meet the Y2 children in their class and watch a lesson taught by the Y2 teachers.
- Thursday 18th June - Sports day @ 10.30am
- Friday 26th June-Non - Uniform day - bring a bottle for the tombola
- Saturday 27th June - The Gattons Summer Fayre 12.00 - 2.30pm

Thanks for you continued support.
The Year 2 Team.
