

# Talk to me about

Date: W/C 15/6/26

Year Group: **Reception**

<b>What we wanted to learn</b>	<b>What we did</b>	<b>What I could do at home to help me with my learning</b>
<b>Literacy</b> We wanted to learn to write captions and sentences	We continued to use the book 'Naughty Bus' as our inspiration for our Drawing Club adventures. We all worked really hard to write amazing captions and sentences and looked back at how far we have come with our writing!	I could write a caption or sentence about Sports Day.
<b>PE</b> We wanted to take part in our very first Sports Day.	We all practised all the activities together before having lots of fun at Sports Day with all our grown ups cheering us on!	We could set up a sports challenge in the garden and have a go!
<b>Maths</b> We wanted to recall facts	We used the rekenreks to partition five into two parts and say how we made five for example 5 is made of 4 and 1. We used 5 speckled frogs to help us say facts about 5 when an amount is hiding. Eg I can see 3 frogs on the log so 2 must be hiding in the pool.	We could play a hiding game with some of my toys. I could find 5 toys and then you could place a cloth over some of them, and I could tell you how many are hiding. I could show you some doubles on my fingers. You could call out a number to 10 and I could use my 'Bunny Ears' to show you that number.
