

Talk to me about

Date: W/C 22.6.26

Year Group: **Reception**

| What we wanted to learn | What we did | What I could do at home to help me with my learning |
|---|---|--|
| <p>Literacy We wanted to learn about Amelia Earhart.</p> | <p>We read a book all about Amelia Earhart. We learnt why she was famous and how inspirational she was. We learnt her famous motto 'the best way to do it is to do it!'</p> | <p>I could listen to this story https://www.youtube.com/watch?v=vN1o6u7Zo9A Or watch this Go Jettters episode all about her https://www.bbc.co.uk/iplayer/episode/m00086zk/go-jettters-series-3-10-go-jetter-heroes-amelia-earhart</p> |
| <p>Design and Technology We wanted to learn to sew.</p> | <p>We recapped all we knew about joining materials. We talked about how you can sew by hand or on a machine. We learnt to use the needle and fabric scissors safely. We then learnt how to thread a needle. We had a go at sewing on a piece of Binca.</p> | <p>You could show me your sewing machine or home sewing kit and talk about how the machine works. I could try to spot the needle! We could talk about what is in the sewing kits and what it is used for. You could help me to thread a needle, and I can show you how I know to use this tool safely.</p> |
| <p>Maths We wanted to recall facts.</p> | <p>We used the rekenreks to partition five into two parts and say how we made five for example 5 is made of 4 and 1. We used 5 speckled frogs to help us say facts about 5 when an amount is hiding. Eg I can see 3 frogs on the log so 2 must be hiding in the pool.</p> | <p>We could play a hiding game with some of my toys. I could find 5 toys and then you could place a cloth over some of them, and I could tell you how many are hiding. I could show you some doubles on my fingers. You could call out a number to 10 and I could use my 'Bunny Ears' to show you that number.</p> |
