

Year Group: **Year One**

Talk to me about

Summer Term 10th July 2026

What we wanted to learn	What we did	What I could do at home to help me with my learning
<u>Literacy</u> We were learning to write riddles.	We have been learning to write poetry. We have been writing riddles as part of this. Ask us to tell you all about it.	We could write a riddle for you to solve.
<u>Mathematics</u> We were learning to tell the time	We have been learning to read a clock that says o'clock and half past. Please help us to do this at home on an analogue clock as it is really hard. We have been talking about the minute hand and the hour hand.	We could tell the time throughout the day so that we understand there are 27 o'clocks!

Words to practise spelling this week:

where two sugar

Word aware words:

You could practise saying this word in a sentence or see if you can spot it in a book.

exclaimed riddle

Maths Mental Fluency: Count in twos, fives and tens.

Coming Up!

The art workshops start at 9am so come and sign in at the office. There will be ink involved so please bring an apron if you need it. We will provide aprons for the children. The dates for our art workshops: **14th July - Blackbirds, 15th July - Nightingales and 16th July - Woodpeckers**
We will be selling the bags that the children print as part of their mini-enterprise project. We are asking for a suggested donation of £2 to cover the cost of the bags and the ink. You will have received a separate Parentmail that explains how to send the money in (www.scopay.com).
Many thanks for your support printing the bags.

Have a lovely weekend.

The Year One Team
