

Talk to me about...

Date: 12th June 2026

Our Learning Journey - Living in England

Year Group: Year Two

What we wanted to learn:	What we did:	What could I do at home to help me with my learning?
<u>Literacy</u> I can plan and write my letter. I can use capital letters, finger spaces and full stops. I can include the features of a letter.	Floella Benjamin wrote us a special letter to ask us to tell her about where we were born and where we live now, what we would like to be when we grow up and if we could travel to anywhere in the world where it would be. We learnt how to structure a letter and include all of these features. We wrote a special letter, and we will post them to Floella and hope we receive a reply.	You could write a letter to a cousin or a friend who is far away that you do not see regularly and post it and hope for a reply. You could write a letter to a friend in the class and put it in an envelope.
<u>Mathematics</u> We are learning to find a fraction of a number. We are revising our times tables facts and related division facts and how to solve them. We are learning to apply our Maths knowledge and skills to word problems.	We practised finding $\frac{1}{2}$, $\frac{1}{4}$, and $\frac{1}{3}$ of a number. We recapped our 2, 5 and 10 times tables. We practised understanding the relationship between times tables and division facts and used different methods to solve arithmetic style questions. We answered problem solving questions linked to maths.	Can you revise your number facts to 20 and write lots of different number sentences related to that fact. Can you write out all the times table facts you know, counting 2's 5's and 10's. Bring them in to show us and we can share with the class.
<u>Words for this week:</u> father, class, grass, pass		
<u>SPAG:</u> we have been focusing on quality sentences and making sure that our handwriting letters have clear ascenders (k, l, h) and descenders (g, p, y)		
<u>Maths Mental Fluency:</u> Please revise all 2D and 3D shapes. Can you find any examples of 3D shapes in your home?		
Reminders and Notices: Sunday 14 th June - Burgess Hill Summer Fayre Parade at St Johns Park 11am start. Come and cheer us on if your child is not participating. Tuesday 16 th June - Y3 teachers from Southway to come and meet the Y2 children in their class and watch a lesson taught by the Y2 teachers. Thursday 18 th June - Sports day @ 10.30am Friday 26 th June - Non-Uniform day - bring a bottle for the tombola Saturday 27 th June - The Gattons Summer Fayre Thanks for your continued support. The Year 2 Team.
