Talk to me about

Autumn Term 23rd October 2026

Our Learning Journey – This week we found Bog Baby!

What we wanted to learn	What we did	What I could do at home to help me with my learning
Literacy We have been learning to write in sentences.	We have been doing some amazing writing. We have been taking the little boy and the alien on new adventures and thinking about the setting. We have been making sure our letter codes work by adding a capital letter at the start and a full stop at the end of our sentences.	We could write our own stories over half term. If you bring them into school, we will add them to the book corners. We could go to the library in half term and borrow another book by Oliver Jeffers.
Mathematics We have been learning to identify how many are in a set. We have been learning about ordinal numbers.	We have been learning to count items 1:1 by moving them or crossing them out. We have been checking our counting. We have also been learning about ordinal numbers. We have been having races to see which car is first, second, third, fourth and fifth.	We could have races with our family and decide who came first, second, third. We could race cars or conkers along the floor and decide who gets over the finish line first, second, third. We could tell you how many is in a set of objects - how many sausages, how many peas etc.

Words to practise this week: Read them quickly on flash cards or try to spell them.

they have little what we be you your was there

Word aware words: You could practise saying these in a sentence or see if you can spot them in a book.
